RUMAH COMEL 3.0

Smart Tiny, Affordable Comel

Visit us at Booth, 4D408 in Hall 4

At Rumah Comel, we prioritize ESG. With ISO certifications in (QHSE), environmental and quality management, we continuously strive for sustainability while delivering prestigious quality to the public.

About Rumah Comel

After the successes of Rumah Comel 1.0 & 2.0, this year introduces an enhanced version, with the slogan 'Smart Tiny, Affordable Comel', tailored to diverse needs. The concept behind RUMAH COMEL revolves around the notion of deriving satisfaction from owning only essential items and rediscovering the true essence of living. This prefab tiny house serves multiple purposes, functioning as a primary residence, guest house, or versatile multipurpose room, with the vision of making homeownership accessible to everyone without the burden of high costs.
